

NORTH HILLS CHURCH OF CHRIST
MISSIONS ENGAGEMENT MINISTRY

Our Mission is to reach the world, domestically and internationally, by sharing the love of Christ with those outside of our local community through actively engaging in mission opportunities.

Our Objectives are:

1. To engage all ages in practical aspects of mission work. These mission trips are for all ages.
2. To physically support God's church in fulfilling its mission throughout the world.
3. To plant seeds of God's love in the hearts of those we serve.
4. To encourage and embolden members of our body to live out the missional calling of God.

Our Goals are:

1. To plan, organize and experience short-term international and domestic mission trips each year.
2. Initially, alternating between an international or a domestic trip each year, until we develop the resources to realize two trips each year.
3. To eliminate finances as an obstacle that might prevent families from participating.
4. To develop strong intergenerational relationships that result in mentoring and spiritual growth for everyone.

Do you want to go on a mission trip this year? We are planning to go to Puerto Rico from August 11th-18th, 2018. If you are interested in going to on this mission trip to help the church in Arecibo, PR, please contact Terry Lafferty. There will be a short informational meeting on Sunday, Feb. 11 immediately following worship in the front of the auditorium.

The cost per person is offset by our ministry budget.

If 6 people plan to go, the cost would be about \$200; 10 people ---- about \$300.

The cost increases as more people go.
