

NORTH HILLS CHURCH OF CHRIST 2021 YOUTH RALLY **SEPTEMBER 18**

# SEARCHING

**E**ver since God called out “Where are you?” to Adam and Eve in the garden of Eden, He has been searching for the hearts of his people. The history of humanity has been complicated. We wrestle to do what is right, often failing to choose light over darkness. Our hearts desire to search for Him, but we can’t get out of our own way.

In God’s search, He sent his son, Jesus, to “seek and save the lost.”

Once we are found by Him, Jesus tasks us to take up the search—to find the broken and wounded, the discarded and lost—and introduce them to a God who has been searching for them since before the foundations of the world.

Are you ready to join the search?
