2023 was a banner year for the financial markets. The Dow finished up 13%, the S&P 500 finished up 24% and the NASDAQ finished up a whopping 43%. That is great news, if you're invested in the financial markets. That being said, if you're like me, you probably felt as though there wasn't much change in your pocketbook. The price of food, gas, utilities and everything else still seemed as expensive as ever. In other words, you probably didn't feel much of an impact on your finances. Is the same thing occurring in your spiritual life? That there are times where it seems like God isn't having much of an impact on you? It's easy to get discouraged, especially when we're lonely or hurt, but God is never far away. He wants us to continually reach out to Him. If we are willing to do that, He will fulfill our needs and maybe in a way we never imagined.

Isaiah 40: 30-31 says, "Even youths grow tired and weary, and young men stumble and fall; but those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary; they will walk and not be faint."

So, keep the faith, keep praying and let the power and love of God impact you!
