We're glad you've joined us today as we speak to God in our prayers and our praise, and as we listen together as He speaks to us through His Word, the Bible. If this is your first time here, we extend to you a warm welcome. We are thankful that you have chosen to visit with us this morning.

At the conclusion of the service if you have any questions about our church or about becoming a Christian, please speak to our minister or with one of the elders who will be available at the rear of the auditorium.

Thank you for visiting and we hope you will feel welcome enough to come again.

“Whoever walks with the wise becomes wise, but the companion of fools will suffer harm.”

Proverbs 13:20

Perhaps you heard about the deadly accident that happened in North Park just days before Christmas. An SUV carrying 6 teenagers was speeding around a corner around 2am and went off the road and broadsided a tree while travelling over 70mph on a 25mph road.. The 18 year old driver and the other two older boys had been drinking before the accident.

The impact ejected three teens from the vehicle resulting in 2 of their deaths. The 18 year old girl who died had just met the other teens that night and decided to hang out with them. The 14 year old boy who died was a freshman at Pine-Richland High School. His older brother was in the front seat of the car. The older brother testified that when he found his little brother he was still breathing, so he held him in his lap until the helicopter arrived and assured him everything would be okay. It wasn't; he died on the way to the hospital. And now, multiple families are shattered in the wake of this preventable accident. We often do not take the time to consider the ramifications of our decisions. And life is filled with decisions. Our decisions touch more people than we might imagine – for good or bad.. One of those decisions is the people we choose to hang around with. The Bible gives us numerous warnings regarding the friends we choose.

My heart breaks for all the families reeling in the aftermath of this accident. I only pray that this tragedy is not repeated and that each of us might learn and understand that God's wisdom is the best wisdom! -Terry
