VISITING?

We're glad you've joined us today as we speak to God in our prayers and our praise, and as we listen together as He speaks to us through His Word, the Bible. If this is your first time here, we extend to you a warm welcome. We are thankful that you have chosen to visit with us this morning.

At the conclusion of the service if you have any questions about our church or about becoming a Christian, please speak to our minister or with one of the elders who will be available at the rear of the auditorium.

Thank you for visiting and we hope you will feel welcome enough to come again.

I feel so good knowing that this church supports me so much. Thank you for the money! It's going right to my tuition.
Thank you,

TRAINING

It was suggested that we provide training for leading the various aspects of worship to encourage the men of our congregation who may have interest but lack the confidence to do so. This is open to all males who are 12 years and older, regardless of experience level. More experienced speakers can provide role models for those who are learning. The training is planned to cover the following:

- Improved confidence for speaking in front of groups
- Leading prayer
- Leading a communion thought
- Giving a devotional talk
- Song leading
- General interpersonal skills

This would be a course where there are assignments to be completed outside of class and required presentations to the class group.

If any in your family are interested in participating in this training, notify Jeff Wolfgang (jeff.wolgong@gmail.com) by July 31. Also provide the evening of the week that would best suit your schedule. We would likely start around the end of August or early September and the training would last approximately 6 weeks.

Prayerfully consider participating in this training so we can include more leaders in our worship experiences.
