

## PRAYER REQUESTS 5-31-2022

### New Requests

**\*Ron Clayton** He had surgery on his back at Cleveland Clinic. Please pray for his healing. **Update: Ron's back surgery went well. However, he is quite swollen & bruised and has a considerable amount of pain not relieved by the pain medication. Has a great deal of nerve pain. Please pray for continued healing and pain relief for him.**

**\*Dmitriy's family** (The Rausch's son-in-law, Jennifer's husband) Please pray for them as they are from the Ukraine and are needing safety during this crisis. **Update: A cousin of Dmitriy from the Ukraine and her child made it to Germany to live with family. Another cousin has come to the U.S. and is now living with Dmitriy's parents.**

**\*Jan Mengel** Prayers for Jan as she is going to eventually move permanently to Williamsport. She will also need prayers for the procurement of a new home and finding helpers (one for while she is still in Pittsburgh and one for her new home in Williamsport when that occurs). She is glad that she will be able to see her grandkids via zoom every other weekend when she is in Williamsport. Also, Praises for answer to prayer that Jan can continue to be an avenue to Jesus for her grandkids as it has been put in the court order that Jan is to have her grandkids for a whole week during family week at Jumonville ( a Christian camp/retreat that her grandkids have a history attending with Jan in the past). **Update: Praises that Jan has found a house in Williamsport! She put an offer on it and they accepted it! She is so grateful. She will be back in Glenshaw this weekend and hopes to get to church, if possible.**

### Recent Requests

**\*Matthew Lafferty's Grandma/Jenny's mom** Please pray for her as she goes through chemo and feels better soon. Update: She was to expect surgery, but it didn't go as expected. They had to back out of surgery because they found cancer in the chest wall taking her from stage 1 cancer to stage 4. Her team of doctors decided to take care of her gall bladder that has caused her a lot of discomfort. Please pray for her cancer condition and to heal well from the gallbladder surgery. Please also pray for Jenny's dad who is quite anxious as he is just a babe in Christ. Praises that Jenny's mom has been giving God glory through all of this by showing the medical staff kindness and gratitude for the ways they care for her and that she's told everyone the reason for her peace during this storm.
