

PRAYER REQUESTS 9-14-2021

New Requests

***Joan Wolfgang** Joan continues to improve following her hip replacement. She returned back to her apartment this past Saturday. She is not permitted to drive for several more weeks. You could minister to her by taking her to PT appointments or to pick up a few things at the store when needed. You could also prepare a low-salt diabetic friendly meal and eat with her on occasion. (She does not eat a lot so you would not need to prepare much.) Thank you for your prayers, cards, and thoughtfulness toward her.

***Martha Rickabaugh** (Terry Lafferty's mother) Praises that she has been released from the hospital after fighting Covid and will continue her recovery at Terry's sister's home! Thank you for all the prayers.

***Patty Kos** She has had another stroke. It is not as severe as her last stroke, but she has still suffered effects impacting her right arm and is unable to lift it. **Update: She is going to stay at Passavant until her latest UTI is cleared up and then she will be seen this week by a Neurologist at Mercy Hospital. They are waiting for a release date before they decide if Patty will rehab at a rehabilitation institute or rehab at home. Please continue to lift her up in prayer for healing and strength building.**
