New Requests

***Joey Plocki** Please Pray for him. He was rushed to the hospital yesterday due to having an extremely bad seizure. He is home after having an MRI at the hospital, which looked ok. He tested positive for COVID at the hospital, so they are hoping that it was a COVID seizure and not a febrile seizure at age 8. They will be following up with a neurologist. Also pray that the neurologist finds the source of the seizure and strength for the Plocki family.

***Michael Richmond's family** Jeff and Tammy lost a former brother-in-law, Michael Richmond, last week to Covid and a week-old diagnosis of leukemia. Please keep Michael's family and the Martin family in your prayers.

Please pray for James that he heals quickly and is relieved of his discomfort. **Update: Please continue to pray as he is hospitalized.**

***Mary Ann Clayton's family : Olga**, Mary Ann's mother's sister (92 yrs.) had her second round with COVID. **Update: She recently passed away.** **Becky Manfredo** (63), her cousin's wife and a caretaker to her aunt has recently passed away after contracting Covid-19 pneumonia. She was on a ventilator for several weeks and had no family with her at the time of her passing. **Dale Manfredo** (67), has been suffering with COVID at home and remains very ill.
