New Requests

***Mariah** (Maria Veigas' fellow high school soccer player) She lives with her grandmother and their house has been completely destroyed by fire. They lost everything in the fire and they are currently living in a hotel. Please include Mariah and her grandmother in your prayers. If you are interested in providing some assistance, Maria Veiga will be collecting gift cards at church on Sunday, October 17th to help them. (Card suggestions are grocery and stores such as Target/Walmart)

***KC Branson** Please pray for him as he has Covid 19. Currently, his symptoms are mild right now.

***Vicki Hulton** (Mary Ann Clayton's friend, who is also a school nurse) She was found unresponsive in her office by her Vice Principal apparently due to a seizure of unknown reason. She is now awake, but is still hospitalized in the Neuro ICU. She is single with very little family. Please lift her up in prayer.

***Garrett** (Natalie Atkinson/Taylor's nephew) Please pray for him as he is a young adult who was diagnosed with a large brain mass. He is waiting on results of biopsy after the neurosurgeon removed the mass.

***Debbie Steigerwald** Debbie had surgery on Sunday morning to remove her gallbladder. Praises that she is now home and recovering. Please pray for continued healing and comfort.

***Jenny Lafferty's mom** She has been diagnosed with grade 1 cancer. It is slow growing, but she will need to have part of her stomach removed. Please pray for healing.

Recent Requests

*Skylar Deyarmin (Terry Lafferty's nephew) He is 25 years old, has developed cancerous tumors on his pancreas and gallbladder due to a genetic condition called MEN1. He had surgery on October 6 to remove his pancreas, gallbladder, 1/3 of his stomach and part of his small intestine. As a result he will become a Type 1 diabetic. Please pray for him and his wife as they face this new challenge in their young marriage. (Skylar's dad, Terry's brother-in-law, Dave, just went through the same ordeal last year and suffered numerous complications, but is now doing much better.) Update: Praises that Skylar came through the surgery well and is doing good! Although, he is understandably sore. Please keep him and his wife in your prayers.

*Please pray for all of those contacted by the Church of Christ Door Knocking ministry last week.

*Joe Plazek (Anne Taylor's brother) He was at Mercy Hospital with pulmonary edema. He has had 2 kidney transplants in the past, so he is immunosuppressed. He was on heavy oxygen, but avoided intubation at this point. Update: He is out of the ICU and home now, but will still need a procedure on his heart. Thank you for the prayers and please continue to pray that they can help his current heart condition.

*Jane Drummond (A former member of the congregation) She had her second knee surgery recently and has had some complications with the surgery as she did the last time. Please keep her and her husband Jeff in your prayers.

*Jacob Walton (Amy McCumsey's nephew) He had a Petit Mal Seizure recently and went to Children's Hospital for testing & observation. Jacob has Tetralogy of Fallot, which is a heart condition that he had surgery for as an infant. There is an abnormality on the EKG that they don't think is related to his condition, but they are waiting on results of more testing. Please keep him in your prayers.
