Recent Requests

*Kenny Branson (KC Branson's dad) He was diagnosed with cancer and begins treatments soon. Please pray for his health but more importantly for his spirit and his faith and that he can use this trial to glorify God and reach doctors, nurses and concerned family members with the gospel.

*Alex Davis (Vikki Ferguson's cousin's son) Please pray for him as he is in the CVICU in Little Rock hospital. Update: He still has trach, but Vikki believes they woke him up and his blood oxygen percentage was getting higher. Praises to God for the blessings of good medicine, doctors and nurses!

*The poor and all the sick, including from COVID (from Matthew Lafferty) Please pray for them.

*John Kirk John has dealt with a perforated ear drum and hearing loss since he was about three. While in surgery for this, his doctor, Dr. Chi, saw that John's old titanium prosthesis was too small and out of place. He gave John a new prosthesis that is the right size and will hopefully make proper contact with the ear drum. They are optimistic that the patch will hold and some hearing will be restored. Please pray for him, as they won't know for certain if all this takes for about two months.

*Family and friends of Linda Davis Linda was a dedicated sister in Christ who loved to serve at Camp Concern. She passed away recently. Please pray for comfort for her family and friends.

*Jan Mengel She is scheduled to have surgery on her hand in a few weeks (the surgery has been pushed back again) and has been living in assisted living in Williamsport since December. Her helper back here in Pittsburgh has had to take another job due to Jan's long absence, so she currently has no help at home and will not be able to return home until April 1st or later. Please pray that she stays healthy and that her surgery is successful. Also pray that she is comforted during this long and extended stay away from home.
