\***Jerry Reiner and family** Please pray for them as Jerry's 12 yr. old granddaughter committed suicide this past week.

\***Camille Madison's relatives** Several of Camille Madison's relatives have COVID-19 in Missouri. They were all at two family gatherings (a wedding and a birthday). This includes young and old. Some are positive without many symptoms (Camille's mom's sister who is 80) and some are very sick. Her cousin Steve, who is in his 50s, has been put on a respirator. Please pray for healing and containment of the virus.

\***Mike and Lea Brown** Please Pray for safety and a peaceful adjustment as they move to Illinois this week. Prayers of thanksgiving for their friendship in the North Hills church family.

\***Mike Fugali** (an old college friend of Dave Ferguson) He, unexpectedly, lost consciousness when traveling to visit his sister in Pittsburgh. He has been treated in Pittsburgh and tested negative for COVID - 19. The suspicion is Lyme, but nothing has been determined definitively. Prayers for his health and discovery of the root cause of his health issue.

\***Dave Deyarmin** (Terry Lafferty's brother-in-law) He recently had his pancreas, spleen, gall bladder and 1/2 his stomach removed due to a genetic disease. **Update:** He has been having complications and it was found that a liver transplant will solve many of his health issues. Please pray for him as he has many appointments coming up that are regarding a possible liver transplant. Prayers that he is able to be put on the transplant list and find a liver.

\***Zak Holdren & Paul and Debbie Holdren** **Update:** Praises to God that Debbie and Paul both tested "Negative" for the CV-19 virus, and Zak has been cleared to go back to work! They feel very thankful that Zak's symptoms were only moderate (no fever, respiratory issues or cough) and that Debbie and Paul didn't contract it.
